## Comic Book Sponsorship Guide

## **ABOUT**

Captain Marrow is a public speaker & comics creator based on the personal narrative of the owner, Jack Timperley. A survivor of a bone marrow transplant from the generous gift of an unrelated donor. Jack travels around the U.S as the costumed superhero, "Captain Marrow", inspiring kids and adults facing medical diagnoses to be heroes of their own story and educating communities about the value of saving a life.

## **TARGET AUDIENCE**

U.S comic convention attendees

Patients, families, and staff in U.S hospitals

Individuals with medical conditions

College students

Nonprofit fundraisers, donor drives, conferences

## **OTHER SPONSORSHIP OPPORTUNITIES**

Want Captain Marrow to promote your brand/business/cause? Become a corporate/nonprofit sponsor today! Together, we'll build a custom sponsorship package to tailor to your organizations needs. Sponsorships could include travel to events, comic con sponsorships, hospital visits, comic book sponsorships, and more. An individual or entity may also sponsor individual appearances.
